## A New Keating Griddle in the Indianapolis Public Schools Mobile Food Bus!

*There is a new 48x30 Miraclean® Griddle now in service to help IPS feed even more students, and provide them with healthy, nutritious meals.*

The Indiana Public Schools district school bus recently received a complete overhaul and was retrofitted into a mobile kitchen, with refrigerators, ovens, warmers and a new Keating griddle! The wrapped bus also has awnings and drop-down tables for students to enjoy their meals, as well as TVs and a music system.

Many thanks and a job well done to Jack Farling of **Acosta Cornerstone**, Keating's rep in Indiana.

Very Truly,

Eliza Keating  
President
