## Three Miraclean® Griddles for Indiana University in Bloomington, IN

*The staff chefs are busy grilling up meals on their new Miraclean® Griddles in the Edmondson Dining Hall located at Indiana University in Bloomington, Indiana.*

A 72x30 electric Miraclean® Griddle with a Richlite® cutting board and griddle stand with casters, and a 36x24 gas unit were required to keep up with the demands of feeding their hungry students. There is also a new 24x30 gas griddle to accommodate the students at Gresham Hall.

We appreciate the hard work of John McCurdy and **Acosta Cornerstone**, our sales representatives in Indiana, on this project.

Very Truly,  
Eliza Keating  
President

This is the stack of griddle bricks IU is throwing away. They will really appreciate their new, easy to clean griddles!
