Northern Illinois University

A New Keating Teppanyaki Miraclelean® Griddle Installation at Northern Illinois University in DeKalb, IL!

Located in the community center of the New Hall Residence complex, Grandstands is part of a food court-style dining area. Their made-to-order custom creations are cooked using their new Keating Teppanyaki Miraclelean® griddle.

The New Hall dorm complex at NIU houses approximately 1,000 hungry students - our 48x24 electric Teppanyaki Miraclelean® Griddle will be busy grilling their freshly made meals, daily.

A special thank you to Paul Wojcik and Paul Wojcik & Associates for his work on this project.

Very Truly,
Eliza Keating
President
