A New Miraclean® Gas Griddle for Texas A&M Dining!

Established in 1871, the Texas A&M University has a student population of over 65,000; the addition of our Miraclean® will help them keep pace with the daily demands of their very busy dining facilities.

A fond memory for me; I was helped by the famous Colonel Fred Dollar with the presentation of my very first sales meeting. He was a longtime Director of Food Service at Texas A&M, and an innovator in the food service industry, as he introduced the first food court on a college campus opening before the advent of mall food courts. And at that time, Texas A&M College Station had over 3,000 pieces of Keating equipment!

Many thanks to **John Ward** of **Bill Dickie Enterprises**, Keating's representatives in southern Texas for overseeing this project.

Very Truly,

Eliza Keating
President

Keating 48x30 Miraclean gas griddle with thermostat knob guard option, shown above.
