## **A New Keating Custom Pasta System for De Luca's Restaurant in Westland MI!**

*The DeLuca brothers, Riziero and Guerino, opened DeLuca's Restaurant in 1957 as a neighborhood pizza and pasta house with simple Italian foods prepared fresh every day.*

This long-time MI favorite destination is known for their homestyle Italian recipes and their homemade pastas, including gnocchi, ravioli, manicotti and lasagna, to be cooked in their new 24 Custom Pasta System. This new unit replaces another Keating pasta cooker that was in service for over 30 years!

Keating truly appreciates the efforts of our rep in lower Michigan, Jim Schulte of **Food Tech Group**.

Very Truly,

Eliza Keating  
President
