A new Miraclelean® Griddle for Liz's Market at the University of Wisconsin-Madison!

Conveniently situated in the middle of campus, Liz is perfect for lunch after a tough lecture or morning lab. It is the dining area of choice for low-fat, vegan, and vegetarian foods, and also features a large cold food bar, offering students many fresh fruits and vegetable choices.

A variety of food stations serve home-style comfort foods, fresh baked goods, made-to-order deli-style sandwiches and wraps, a salad and soup bar and a global kitchen that offers a number of ethnic entrées and sides from all corners of the globe, with a menu that varies daily.

Our thanks goes out to our WI rep, Paul Wojcik of **Paul Wojcik & Associates**, for a job well done.

Very Truly,

Eliza Keating
