New Griddles and Fryers installed recently at the Marriott Detroit!

The Marriott Detroit is ideally located on the famous RiverWalk in downtown Detroit, within walking distance to the downtown attractions, as well as near the People Mover stop located in the GM Renaissance Center. This 70-floor hotel has great views of the city skyline, the river and Canada through its dramatic floor-to-ceiling windows.

(2) new 36x30 electric MiracleClean® Griddles and (2) new 14BB electric Instant Recovery® Fryers at the Marriott Detroit Renaissance Center.

The hotel restaurant serves breakfast, lunch & dinner daily, and features a hearty breakfast buffet. A pair of new Keating electric 36x30 MiracleClean® Griddles and 2 new 14BB electric Instant Recovery® Fryers were recently installed to prepare meals for guests and visitors.

Regional American favorites such as grilled rib-eye steak, a variety of burgers that includes the Marriott Black Angus burger, turkey, salmon, bbq and veggie burgers, also grilled

soft tacos, housemade tortilla chips and potato chips with french onion dip, sweet potato fries, fried chicken tenders and chicken wings, just a few of the specialties from their varied menu.

Thank you Jim Schulte of **Food Tech Group** for a job well done!

Very Truly,
Eliza Keating
President
