PIER 17

Two New Miraclean® Gas Griddles for Pier 17 NYC, South Street Seaport

Pier 17 is a redevelopment project now open in lower Manhattan along the East River. It offers a variety of restaurants, shops, offices, an art gallery, seafood market and the rooftop concert venue.

With its amazing views of the Statue of Liberty, the Brooklyn Bridge and Manhattan skyline, the four-story Pier 17 is a truly dynamic setting to enjoy music, shopping, art, and of course, great food.

Two new Miraclean® Griddle installations, with one on the rooftop plaza, will compliment the many innovative and diverse dining options Pier 17 has to offer.

Our many thanks to Frank Doyle and **TD Marketing**, Keating's representative in metro New York.

Very Truly,

Eliza Keating
President
