"Serving Those Who Serve The Very Best"®

In service for over 25 years, our Miraclelean® Gas Griddle at the famous Bendix Diner!

Built in 1947, the nostalgic Bendix Diner serves its patrons a vintage diner-car experience along with memories of an iconic past; with its stainless-steel exterior, long counter with original turquoise tile and stools, and its pink and blue outdoor neon signage. Used as a location for its realistic charm, the Bendix Diner has appeared in films including Diner, Boys on the Side and Jersey Girl.

For over 25 years a Miraclelean® Griddle has been in service 'round the clock, grilling up comfort classics at the always open 24/7 Bendix Diner in Hasbrouck Heights, New Jersey.

What's recommended by the regulars? Try the blueberry pancakes, corned beef hash with home fries, and the pastrami/corned beef sandwiches on the grill "are to die for!"

Thank you, Diakakis family, owners of the Bendix, and **TD Marketing**, NJ, for sharing their story.

Very Truly,
Eliza Keating
President

"Serving Those Who Serve The Very Best"®

In service for over 23 years, this griddle is a great example of how proper care will keep your equipment cooking for years to come.

The best customer testimonials come unexpectedly; there is no better way to show the mettle of our Miraclean® Griddle, other than by sharing the example below.

Our sales rep in the UK, **Malibu Corporation**, got a call from a customer that had recently purchased a Keating 48x25 drop-in Miraclean® Electric Griddle from another restaurant. After checking the serial number, Malibu found out it was originally purchased from them back in March of 1995! The new owner of the griddle said it was in good condition, and sent these photos.

Malibu was pleasantly surprised at the condition of the Miraclean® surface, and stated "it just goes to show how long the griddles will last if they are looked after. This one is 23 and a half years old and doesn't look a day over 6 months old." Obviously, the previous owner kept the griddle clean and well maintained. Our thanks to Stan Cookson at **Malibu** for sharing this story.

In service since 1995 and in beautiful condition!

Very Truly,
Eliza Keating
